Launched Oct 16, 2026. Early-stage, growing.

We launched on October 16, 2026 and don't publish numbers we can't back up. Every quote includes the current confirmed-subscriber and follower counts, measured that day. No click guarantees.

FORMATS AND LAUNCH RATES (USD)

PRIMARY

Verified Launch Review

\$29 one-time

We test your tool, then publish a labeled **Sponsored review** page (what it does, who it's for, what's good / what's not, vs our current pick) plus one fact-checked Sponsored X post. You check facts only; verdicts stay editorial and can be unfavorable. Permanent page you can quote. No traffic guarantees. Fit within 24h; published within 5 business days of payment; full refund if not a fit.

FEATURED

Featured listing

\$29 / 30 days

FEATURED badge plus the top slot in one use case, above its editorial picks. One slot per use case.

SPONSOR

Newsletter slot

\$19 / issue

One sponsor per weekly issue: 2-3 sentences plus a link near the top, labeled "Sponsor". You approve the copy.

SPONSORED

Sponsored X thread

\$29 / thread

3-5 posts on @AIMoshHq, marked "Sponsored" and using X's paid-partnership label. Fact-checked; you review first.

BUNDLE

Launch bundle

\$59 feat+NL+X

Featured 30 days, one newsletter slot and one X thread in the same month. Review sold separately.

Intro rates rise as the audience grows. Anything you book keeps the price you booked at. Review and featured: pay then we confirm fit (full refund if not). Newsletter / X / bundle: we confirm fit, then invoice.

EDITORIAL RULES

- **Sponsored items are always labeled:** "Sponsored review" on review pages, FEATURED badge, "Sponsor" in the newsletter, "Sponsored" plus X's paid-partnership label on posts, and *rel="sponsored"* on paid links.
- **Picks can't be bought.** TOP PICKs and alternatives are editorial. For reviews, you may correct facts; the verdict stays ours and can be unfavorable.
- **Fit first:** we decline tools that are misleading, unsafe or not actually AI tools. No traffic guarantees.
